IT'S ABOUT TIME!

Since the publication in 1978 of 2,597 KEENEY RELATIVES, I've been overwhelmed with information, inquiries, requests and greetings. Orders have come from 31 states and DC and every week someone (usually from the West) calls.

So it's about time we pool our information and get acquainted. This paper, free this time, is an effort to spread the word. Check the next page to see how to get on board.

Keeney Update

Memorial

KEENEY UPDATE will be published quarterly if there is enough interest and support. Because of limited circulation at first, printing costs are high and envelopes and postage aren't cheap.

So here's the deal:

You get this paper and three more for making a contribution to cover printing and postage of \$2 or more. You may also send names and addresses of others and they will receive copies for a \$2 contribution. No further requests for funds will be made until there is a need. The paper will be expanded to eight pages if there is enough material and enough support. It will definitely be a non-profit operation.

You are also asked to contribute information - lists of family members, old and new obituaries, interesting facts about people named Keeney, pictures of old timers (Keeneys or Keeney descendants, the older the better), interesting things you have written.

If you don't want to cut your paper, list the information below on a sheet of paper and send it with your check and then we'll see how many papers we can write.

Send to: KEENEY UPDATE, Box A, Cedar Grove, WV 25039

I enclose \$ _____ in contribution(s) and ask that KEENEY UPDATE FOR THE next year be mailed to the following persons:

Name _____
 St. & No. _____
 City & State _____
 Zip Code _____

Name _____
 St. & No. _____
 City & State _____

(List additional names on another sheet.)

HOLD IT!
 Don't clip.
 Your papers will come in handy 8 1/2 x 11 to fit a loose leaf note book.
 Keep this with your KEENEY book and you'll stay up to date.

I'D PICK MORE DAISIES
 If I had my life to live over again, I'd try to make more mistakes next time. I would relax. I would timber up. I would be sillier than I have been this trip. I know of very few things I would take seriously. I would take more trips. I would climb more mountains, swim more rivers, and watch more sunsets. I would do more walking and looking. I would eat more ice cream and less beans. I would have more actual troubles and fewer imaginary ones. You see, I am one of those people who live prophylactically and sensibly and sanely hour after hour, day after day. Oh, I've had my moments and if I had it to do over again, I'd have more of them. In fact I'd try to have nothing else. Just moments, one after another, instead of living so many years ahead each day. I have been one of those people who never go anywhere without a thermometer, a hot water bottle, a gargle, a raincoat, aspirin, and a parachute. If I had it to do over again, I would go places, do things and travel lighter than I have.

If I had my life to live over, I would start barefooted earlier in the spring and stay that way later in the fall. I would play hooky more. I wouldn't make such good grades except by accident. I would ride on more merry-go-rounds. I'd pick more daisies.

Brother Jeremiah
